

# Get involved! Have a voice!

Help improve housing related support services across the district.

Do you receive housing related support?  
Do you live in supported housing or a hostel?

If you answered yes to either of these questions then you could have your chance to have a say about how to improve these services and other housing related support service across Bradford.

If you want to have your say and see your views make a difference then come along to one of our meetings and find out more. At each meeting you will also receive information on a range of subjects that affect you and are connected to the Supporting People Programme and the support you receive.

At the next meeting we want your views on:

How service users can help improve services. There will also be a chance to hear about becoming a rep for the group at a range of meetings.
